## PROPOSED TERMS & CONDITIONS

Thank you for your interest in the David Stuart Agency

Under this agreement the David Stuart Agency will receive 15% of any work gained through the network chat on one platform.

Any work gained through the platform, but not by the agency, shall not be subject to this fee.

All communication & payments with clients shall remain within the platform

We have signed you to the platform by selecting you through the agency - with this you have some perks like a premium account with no cost. However should you want to add on extras - such as connecting a domain to use the platform as a site then you can add this on to your account.

Don't worry these are optional extras. - should you be interested in any of these please let me know and I can get a discount for you!

If you know anyone that may want to use the platform, they can sign up to the site although as they have not been selected by the agency then they will have a fee to use certain features beyond the account.

Don't forget you can add waivers and other documents to set the percentage and rights of any any artist you may sign on. All nice and easy

When signing this agreement you are not agreeing to any payment, subscription, or fee. You have been specially selected by the agency. The Platform takes care of the 15% agency fee which is only taken when the agency provides you with work.

You will need to sign up or create a stripe account - this is a payment processor just like Paypal - and is used a lot in america - the platform uses it as the fees are quite low.

We're quite excited to partner the agency with 1 platform - some of the tools can't be found on most other sites - creating tickets for events - licences and stems - crowdfunders - As I've said there is a lot there - so just explore and see what you want to use.

When signing up to 1 platform - you also agree to the terms and conditions of the website
