## DESCRIPTION

I have now booked the session and paid the fee to hire the studio, so the time has been paid for. You can pay the discussed fee here and please be sure to be on time tomorrow.

As agreed tomorrow we shall be at the studio at 10 am - the address is 113 Pollard St, Manchester M4 7JA. When you come to the door press 200 on the buzzer to speak to the studio.

We will do 10 - 12+ images - no editing - with various poses - both in the studio and outside. In terms of props we have the microphone in the booth available - should you need anything else you will need to bring it along.
